market-based compensation necessary to attract and retain competent and qualified employees in order to

(2) It is the intent of the legislature that compensation plans for state employees, excluding those
employees excepted under 2-18-103 or 2-18-104 ~~and excluding employees compensated under 2-18-313 and
2-18-315~~, be based on an analysis of the labor market as provided by the department in a salary survey. The
salary survey must be submitted to the office of budget and program planning as a part of the information
required by 17-7-111.

(3) Except as provided in 2-18-110, pay adjustments and pay schedules provided for in 2-18-303 and
in 2-18-312, ~~2-18-313, and 2-18-315~~ supersede any other plan or systems established through collective
bargaining after the adjournment of the ~~58th~~ 59th legislature.

(4) Pay levels provided for in 2-18-312, ~~2-18-313, and 2-18-315~~ may not be increased through collective

9
10 **Section 2.** Section 2-18-303, MCA, is amended to read:

11 **"2-18-303. Procedures for using pay schedules.** (1) The pay schedule provided in 2-18-312 must
12 be implemented as follows:

13 (a) The pay schedule provided in 2-18-312 indicates the entry salary and market salary for each grade
14 for positions classified under the provisions of part 2 of this chapter.

15 (b) Each employee newly hired by the state of Montana must be hired at the entry rate, except as
16 provided in subsections (6) through (9).

17 (c) On the first day of the first complete pay period in fiscal year ~~2004~~ 2006, each employee is entitled
18 to the amount of the employee's base salary as it was on June 30, ~~2003~~ 2005.

19 (d) Effective on the first day of the first complete pay period that includes ~~January 1, 2005~~ an
20 employee's anniversary date during fiscal years ending June 30, 2006, and June 30, 2007, the base salary of
21 each employee must be increased by ~~an amount equal to 25 cents an hour~~ 3% or by a lesser amount so that
22 the employee's base salary after the increase does not exceed the maximum salary of the pay grade as provided
23 in subsection (1)(f). For employees hired on or before September 30, 2005, the anniversary date is October 1.

24 (e) An employee's base salary may be no less than the entry salary for the employee's assigned grade.

25 (f) The maximum salary for each grade is determined by subtracting the entry salary from the market
26 salary and adding that amount to the market salary.

27 (2) The pay schedule provided in 2-18-312 and the provisions of ~~subsection~~ subsections (1)(a) through
28 (1)(d) of this section do not apply to those ~~teachers or blue-collar occupations compensated under the pay~~
29 ~~schedules provided in 2-18-313 and 2-18-315~~ employees who are members of collective bargaining units that
30 have collectively bargained separate classification and pay plans or employees covered under subsections (6)

1 and (7) of this section.

2 ~~(3) The pay schedules provided in 2-18-313 and 2-18-315 must be implemented as follows:~~

3 ~~—— (a) (i) The pay schedules provided for in 2-18-313 indicate the annual compensation for teachers~~
4 ~~employed under the authority of the department of corrections or the department of public health and human~~
5 ~~services for fiscal years 2004 and 2005.~~

6 ~~—— (ii) The compensation of each teacher on July 1, 2003, is the same as it was on June 30, 2003.~~

7 ~~—— (iii) Effective on the first day of the first complete pay period that includes January 1, 2005, the base~~
8 ~~salary of each teacher employed in the department of public health and human services and the department of~~
9 ~~corrections is the amount provided for the teacher's step and education level under 2-18-313(2). This subsection~~
10 ~~(3)(a)(iii) does not provide for a step advancement.~~

11 ~~—— (b) The pay schedules provided in 2-18-315 indicate the maximum hourly compensation for fiscal~~
12 ~~years ending June 30, 2004, and June 30, 2005, for employees in apprentice trades and crafts and other~~
13 ~~blue-collar occupations recognized in the state blue-collar classification plan who are members of units that have~~
14 ~~collectively bargained separate classification and pay plans.~~

15 ~~—— (c) The compensation of each employee on the first day of the first pay period in each fiscal year is that~~
16 ~~amount corresponding to the grade occupied on the last day of the preceding fiscal year.~~

17 ~~(4)(3) (a) (i) If the legislature authorizes a pay increase for state employees, a member of a bargaining~~
18 ~~unit may not receive a pay increase until the employer's collective bargaining representative receives written~~
19 ~~notice that the employee's bargaining unit has ratified a completely integrated collective bargaining agreement.~~

20 ~~(ii) If ratification of a completely integrated collective bargaining agreement, as required by subsection~~
21 ~~(4)(a)(i) (3)(a)(i), is not completed by the date on which a legislatively authorized pay increase is implemented,~~
22 ~~retroactivity to that date may be negotiated.~~

23 ~~(iii) If ratification of a completely integrated collective bargaining agreement, as required by subsection~~
24 ~~(4)(a)(i) (3)(a)(i), is not completed by the date on which a legislatively authorized pay increase is implemented,~~
25 ~~members of the bargaining unit must continue to receive the compensation that they were receiving until an~~
26 ~~agreement is ratified.~~

27 ~~(b) Methods of administration not inconsistent with the purpose of this part and necessary to properly~~
28 ~~implement the pay schedules and adjustments provided in 2-18-312, 2-18-313, 2-18-315, and this section may~~
29 ~~be provided for in collective bargaining agreements.~~

30 ~~(5)(4) The current wage or salary of an employee may not be reduced by the implementation of the pay~~

1 schedules provided for in 2-18-312, ~~2-18-313, and 2-18-315.~~

2 ~~(6)~~(5) The department may authorize a separate pay schedule for classes of medical professionals if
3 the rates provided in 2-18-312 are not sufficient to attract and retain fully licensed and qualified professionals.

4 ~~(7)~~(6) (a) The department may develop and implement an alternative pay and classification plan for
5 certain classes, occupations, and work units. Pay for employees in the alternative pay and classification plan
6 may be established and changed based on demonstrated competencies and accomplishments, on the labor
7 market, and on other situations defined by the department.

8 (b) To the extent that the plan applies to employees within a collective bargaining unit, the
9 implementation of the plan is a negotiable subject under 39-31-305.

10 ~~(8)~~(7) The department may develop programs that enable the department to mitigate problems
11 associated with difficult recruitment, retention, transfer, or other exceptional circumstances. To the extent that
12 the program applies to employees within a collective bargaining unit, it is a negotiable subject under 39-31-305.

13 ~~(9)~~(8) The department shall review the competitiveness of the compensation provided to all occupations
14 under this part. If the department finds that substantial problems exist with recruitment and retention because
15 of inadequate salaries when compared to competing employers, the department may establish criteria allowing
16 an adjustment in pay or classification to mitigate the problems. To the extent that these adjustments apply to
17 employees within a collective bargaining unit, the implementation of these adjustments is a negotiable subject
18 under 39-31-305."

19 **Section 4.** Section 2-18-703, MCA, is amended to read:

20 **"2-18-703. Contributions.** (1) Each agency, as defined in 2-18-601, and the state compensation
 21 insurance fund shall contribute the amount specified in this section toward the group benefits cost.

22 (2) For employees defined in 2-18-701; and for members of the legislature, ~~and for employees of the~~
 23 ~~Montana university system,~~ the employer contribution for group benefits is ~~\$440~~ \$460 a month for the period
 24 from July ~~2003~~ 2005 through June ~~2004~~ December 2005, \$506 a month for the period from January 2006
 25 through December 2006, and ~~\$460~~ \$557 a month for the period from July 2004 through June 2005 January 2007
 26 and for each succeeding month. For employees of the Montana university system, the employer contribution
 27 for group benefits is \$506 a month for the period from July 2005 through June 2006 and \$557 a month for July
 28 2006 and for each succeeding month. If a state employee is terminated to achieve a reduction in force, the

scheduled to work less than 20 hours a week are not eligible for the group benefit contribution. An employee who elects not to be covered by a state-sponsored group benefit plan may not receive the state contribution. A portion of the employer contribution for group benefits may be applied to an employee's costs for participation in Part B of medicare under Title XVIII of the Social Security Act, as amended, if the state group benefit plan is the secondary payer and medicare the primary payer.

(3) For employees of elementary and high school districts and of local government units, the employer's premium contributions may exceed but may not be less than \$10 a month. Subject to the public hearing requirement provided in 2-9-212(2)(b), the increase in a local government's property tax levy for premium contributions for group benefits beyond the amount of contributions in effect on the first day of the last fiscal year is not subject to the mill levy calculation limitation provided for in 15-10-420.

(4) Unused employer contributions for any state employee must be transferred to an account established for this purpose by the department of administration and upon transfer may be used to offset losses occurring to the group of which the employee is eligible to be a member.

(5) Unused employer contributions for any government employee may be transferred to an account established for this purpose by a self-insured government and upon transfer may be used to offset losses occurring to the group of which the employee is eligible to be a member or to increase the reserves of the group.

(6) The laws prohibiting discrimination on the basis of marital status in Title 49 do not prohibit bona fide group insurance plans from providing greater or additional contributions for insurance benefits to employees with dependents than to employees without dependents or with fewer dependents."
